Tierra Maya - Luxury Beachfront Suite Description

The Inn offers six spacious, tastefully decorated oceanfront rooms each with its own balcony, overlooking the breathtaking expanse of the Mexican Caribbean. All rooms are provided with 24 hour electricity, ceiling fans, purified drinking water, refrigerators in three of six rooms as well as daily maid service. The cool, year-round sea breeze that mother nature almost always provides gives our guests comfort day and night.

The Maya Grill, an enormous round palapa-style beachfront Restaurant/Bar-Grill completes Tierra Maya as a full service tropical retreat. Serving expanded brunch-style breakfasts until 1:30pm and dinners to die for until 9pm. With some of the finest fishing, diving, and snorkeling just off shore, comfortable hammocks, easy reading books, delicious food and drink either in or near your room, the only pressure exerted upon you while staying at Tierra Maya will be to choose which activity to undertake when. To make your choices easier they arrange for you Offshore fishing, fly-fishing, snorkeling, bird watching and boat excursions to San Pedro, Belize with guides directly from the dock. Scuba lessons, Certifications, diving on the local barrier reef and to the famed Chinchorro Banks are arranged for you with one of our Xcalak dive operators.

Location: Xcalak - Mahahual (Majahual) beachroad, 1.3 km north.

Tierra Maya - Luxury Beachfront Suite Rental Agreement

1/2 of your entire reservation is charged and processed at the time your reservation is made and the deposit amount is non-refundable. We will not refund deposits due to canceled flights, changes in travel itineraries (whether they are your changes, an airline's changes, or another property's changes for which you have reservations), changes in personal schedules, family emergencies, or for any reason other than Hotel Tierra Maya being unable to open for business. We highly recommend travel insurance if you are traveling during hurricane season, or if you have uncertain scenarios related to your family or your work schedule.

The balance of your reservation is due on the day of your arrival and the credit card information on file will be used to process your balance. If you wish to use another credit card to pay your balance, please make the appropriate arrangements BEFORE your arrival, so that we can accommodate your special request. Canceling your reservation on the day of your arrival is treated as a "no show" in which case, the entire balance of your reservation will be processed.

Changes to arrival and departure dates are often not possible after reservations are made and deposits are forfeited if original reservation cannot be honored by client and Hotel Tierra Maya cannot accommodate a change to your original dates of arrival and/or departure.

No refunds on early departure

Mastercard and Visa cards are accepted for room charges only

Restaurant charges are to be paid in Mexican Pesos. There are no ATM machines or banks in or near Xcalak, so bring plenty of cash or pesos BEFORE traveling. In-room safes are provided in three of our downstairs rooms and Hotel Tierra Maya has an office safe for personal valuables and money.

Tierra Maya does not honor traveler's checks. Few of the Mexican Banks will accept traveler's cheques from their account holders, so traveler's cheques are accepted by very few hotels or restaurants in Xcalak.

We grant a 24-hour grace period from the time you make your reservation to the time we process your deposit so that you may have time to review all of our policies and cancel or make changes without penalty.

If you have any questions regarding our policies, please inquire BEFORE making your reservation

Notes from the Owners: Our policies are quite lenient compared with other small hotel/resorts in the Caribbean where many hotel/resorts force you to pay for your entire stay when making your reservation. Unlike other small hotel/resorts, we do not have a minimum-stay here at Tierra Maya. We employ and maintain a full-time staff of seven local Mexican and Mayan employees. Our policies are quite different and more stringent than some other large hotels because we are small and depend on our clients to make responsible decisions when traveling to our remote area of Yucatan. We are not located in a large city like Cancun or Cozumel or even Chetumal, where walk-in traffic is common and hotel advertising campaigns are profound. We depend on advance reservations, usually through our internet presence and from our good reputation, and when you cancel your reservation with us, we have already turned away others who would've liked to stay with us. Many times, we turn away large groups because we are bound to honor your one or two-room reservation. And most times, we are bound to pay reservation service commissions for your reservation since we use two reservation services in the United States to make it easier for you to communicate with us. These commissions come out of our pocket, not yours. We are also paying international credit card transaction fees to process your deposits and payments which is not an expense we pass on to you. So, we are not trying to be unreasonable. We feel that we give you every opportunity to read and understand our policies prior to making your reservation. Our policies are printed on our web site and on our confirmations that are sent to you when you make your reservation.
